

Summary of NEOOC's 2010 Orienteering Season

VOLUNTEERS

36: Number of people volunteering at least once to help run the meet, filling 90 open positions

23 of those volunteers are members (there are about 100 members)

Half of the volunteers (18) filled 2 or more volunteers slots

21: Number of people helping with Control Pickup over the season

EVENTS:

12: Number of events

159: Number of People or Groups that did at least one course

398: Total Number of 'Starts' (team or group that signed up for a course)

33: Mean number of starts at each event

- Largest event by far was the Manatoc Boyscout demonstration event, with over **51** starts and 250 participants
- Largest regular events had about **45** starts, probably 80-100 people each
- No event had fewer than 17 starts

41: Number of members or groups participating in 3 or more courses (accounts for about half of all starts). 28 of these 'Regulars' are members.

Volunteer Honor Roll

Thank you for all your help!
You make our events possible

Event Staff: Volunteers who helped as Event Director, Course Designer, Registrar, Starter, or Timer. Sorry, I don't have info on O for beginner instructors. Sorted by number of positions held over the season; maximum of 8, most did 2 or more.
